- Vibe Coding: AI tools: Claude, Open code, Open claw ,Nano banana ,Gemini
- IT Support: Hardware/Software troubleshooting
- Cybersecurity: Antivirus, data security, backups
- ERP System Integration & QA digitization
- Social Media Management & Email Marketing
- Inventory & Stock Management Systems
- Document Management & Digital Filing
- Remote Collaboration: Zoom, Teams, Slack

PROFESSIONAL EXPERIENCE

ICT Officer (internship)

2026

Ministry of Education | Kilifi County, Kenya

- Responding to customers enquiries professionally and handling walk-in clients at the Sub County offices
- Assist teachers and customers on KEMIS, MoE websites
- Resolving customer complaints and responding to emails from KNEC, Ministry and customers.
- Execute scheduled preventive maintenance of all ICT equipment, reducing unplanned downtime and extending device lifespan across the programme.
- Maintain comprehensive, up-to-date inventory records for all digital devices using structured spreadsheet tracking systems, ensuring 100% asset accountability.
- Deliver hands-on ICT integration training to teachers, equipping 20+ educators with the skills to incorporate digital tools into lesson delivery.
- Support students in accessing and navigating digital learning content on government-issued devices, improving digital literacy outcomes.
- Install, configure, and update educational software, ensuring all systems are running current, approved application versions.
- Enforce data security protocols: administer antivirus updates, manage system backups, and monitor network access to protect sensitive institutional data.

Operations Supervisor

2023 – 2025

Lambda Holiday Resort | Mombasa, Kenya

- Maintaining high customer service standards across all channels in the hotel
- Supervised and coordinated daily hotel operations across front desk, housekeeping, F&B, and maintenance departments, ensuring seamless guest experiences.
- Allocated shifts and duty rosters for 15+ staff members, optimizing workforce coverage during peak and off-peak periods.
- Monitored KPIs and employee performance metrics, conducting regular performance reviews and recommending corrective actions where needed.
- Maintained operational compliance with hospitality standards and health & safety regulations.

Front Desk Agent

2022 – 2023

Lambda Holiday Resort | Mombasa, Kenya

- Administered guest check-in/check-out processes using Opera PMS, ensuring accurate data entry and billing within hotel management system.
- Processed payments across multiple channels (cash, card, mobile), reconciling daily financial transactions with zero discrepancies.
- Managed telephone and digital reservations, maintaining updated records in the property management system.
- Resolved guest complaints and service issues promptly, maintaining a high standard of guest satisfaction.

Restaurant Bookkeeper

2024 – 2025

Baraka Restaurant | Mombasa, Kenya

- Managed end-of-day stock closings, financial reconciliation, and cash handling for a high-volume food & beverage outlet.
- Maintained accurate daily expense records, purchase orders, and supplier invoices using QuickBooks and Excel spreadsheets.
- Generated weekly and monthly financial summary reports for management decision-making, contributing to improved cost-control measures.
- Ensured strict compliance with financial data integrity standards, identifying and resolving discrepancies before daily closing.

Quality Assurance & ICT Analyst

Jun 2023 – Dec 2023

Mzuri Sweets Ltd | Mombasa, Kenya

- Automated digital quality assurance reporting systems, eliminating manual paperwork and reducing report generation time by an estimated 60%.
- Integrated QA tracking modules with the company's ERP system, creating a unified data pipeline for production and quality control data.
- Utilized SPSS and Excel for statistical data analysis to identify production quality trends and recommend corrective actions.
- Delivered structured ICT training sessions for R&D and QA staff, building internal digital competency across departments.

ICT Specialist & Social Media Manager

2022 – 2024

Christ Embassy Sanctuary | Mombasa, Kenya

- Provided end-to-end ICT support for church operations including AV systems, computers, and internet infrastructure.
- Managed social media platforms, producing and scheduling digital content that increased online community engagement.
- Covered live church events using video and digital equipment, ensuring high-quality broadcast and documentation.
- Built internal ICT capacity by training volunteers on digital tools and software.

ICT Remote Support Assistant

2022 – 2024

Nesbony College | Mombasa, Kenya

- Provided remote technical support for front desk and administrative systems, diagnosing and resolving software and hardware issues efficiently.
- Reduced system downtime through proactive monitoring, scheduled maintenance, and rapid fault resolution.
- Strengthened institutional cybersecurity posture by implementing updated protocols and conducting staff awareness sessions.

Call Center Attendant

2022

Horizon Contact Centres | Mombasa, Kenya

- Handled high volumes of inbound and outbound calls, providing accurate information and resolving customer inquiries on first contact.
- Maintained detailed call logs and CRM records, ensuring all customer interactions were accurately documented for follow-up.
- Promoted company products and services, consistently achieving daily contact targets.

Night Operations Supervisor

2021 – 2024

Baraka Restaurant | Mombasa, Kenya

- Supervised all night-shift operations including staffing, service quality, stock control, and cash management.
- Ensured full compliance with health, safety, and operational standards during overnight operating hours.
- Maintained nightly shift reports and incident logs, escalating critical issues to senior management as required.

Concierge & Customer Service Supervisor

2019 – 2021

Mtwapa Country Resort | Mombasa, Kenya

- Delivered personalized concierge services including travel bookings, transportation arrangements, and activity coordination for hotel guests.
- Supervised service delivery standards and monitored customer satisfaction metrics, implementing improvements based on guest feedback.
- Managed guest inquiries, resolved complaints professionally, and coordinated cross-departmental service requests.

Concierge

2019

Kahama Beach Hotel | Mombasa, Kenya

- Welcomed guests and provided luxury concierge services including VIP handling, tour arrangements, and special request fulfilment.
- Coordinated reservations, excursions, and hospitality packages, ensuring a premium guest experience from arrival to departure.

PROJECTS & DEPLOYMENTS

Christ Embassy Sanctuary – Church Website & Admin Portal

Deployed 2024

Live: <https://christ-embassy-sanctuary.vercel.app/> Admin: <https://christ-embassy-sanctuary.vercel.app/admin>

- Designed and developed a full multi-page church website featuring sections for Home, About, Ministries, Centres, Events, and Contact, deployed live on Vercel.000
- Built and integrated a dedicated Admin Portal enabling church administrators to manage content, events, and member information through a secure backend interface.
- Implemented responsive design ensuring seamless functionality across desktop, tablet, and mobile devices.
- Technologies: HTML5, CSS3, JavaScript, hosted and deployed via Vercel with continuous deployment pipeline.

North Coast Prime College (NPC) – Student Portal & Admin System

Deployed 2025

Live: <https://npc-ke.web.app> | Student Portal: </study> | Admin: </create>

- Developed a full-stack academic management platform for North Coast Prime College, a professional training institution in Mombasa, Kenya.
- Built a Student Portal enabling learners to securely log in, track course progress, view exam results, manage fee statements, handle assignments, and download transcripts.
- Developed an Admin Portal for staff to create and manage student records, course enrolments, exam data, and institutional content.
- Integrated secure user authentication, password reset functionality, and role-based access control (student vs. admin).
- Technologies: HTML5, CSS3, JavaScript, Firebase (Firestore, Authentication, Hosting) , deployed on Firebase with real-time database capabilities.

CheckME Solutions Website | Solo Developer

Deployed 2026

Live: <https://checkme-solutions.vercel.app/>

- Designed and deployed a production-ready responsive business website from scratch using HTML5, CSS, and vanilla JavaScript
- Built 12 interactive service cards with category filtering and expandable detail modals
- Implemented animated hero section, portfolio showcase, and testimonials carousel under a custom dark/cyan brand identity
- Integrated a contact form and deployed to Vercel with zero-config CI/CD
- Generated client inquiries across web development, IT consultancy, and digital marketing services

Savoury Spoon Restaurant Website | Solo Developer

Deployed 2024

Live: <https://deploy-omega-opal.vercel.app/>

- Built a fully responsive fast food restaurant website for a Mtwapa-based client featuring an online menu, food categories, and order call-to-action
- Developed with semantic HTML5, custom CSS animations, and vanilla JavaScript, no framework dependencies
- Designed for mobile-first performance targeting local customers browsing on phone
- Deployed to Vercel with instant global delivery

Point-Of-Sale Systems

- **Pharmacy Management System | CheckME Solutions** — Drug inventory, dispensing, expiry tracking, supplier management, and financial reporting. <https://checkme-pharmacy.web.app/>
- **School Management System | CheckME Solutions** — Student registration, attendance, exams, fee management, HR, library, and parent portal. <https://checkmeschoolms-client.onrender.com>
- **Hotel Management System | CheckME Solutions** — Room reservations, check-in/out, housekeeping, billing, and occupancy reporting. *(Live demo available on request)*

- **SACCO & Microfinance Management System | CheckME Solutions** — Member registration, loan management, share contributions, repayment scheduling, and financial statements. *(Live demo available on request)*
- **Rental Management System | CheckME Solutions** — Tenant onboarding, rent invoicing, M-Pesa payment tracking, maintenance requests, and landlord dashboards. *(Live demo available on request)*

EDUCATION & PROFESSIONAL CERTIFICATIONS

Formal Education

- Diploma – Information Communication Technology (AHMED SHAHAME MWIDANI TECHNICAL AND VOCATIONAL)
- Diploma – Hospitality Management(NESBONY COLLEGE)
- Certification – Computer Packages
- KCSE – St Augustine's Mirogi Boys High School
- Primary Education – Golden Key School

Professional Certifications & Short Courses-Online

- Cybersecurity – Network security, data protection, antivirus management
- Data Analysis using SPSS – Statistical analysis and reporting

The ICT Officer
Nesbony College
P.O. Box 653-80109,
MTWAPA, MOMBASA

Dear Sir/Madam,

RE: REUBEN NYABERI SIOJA – ID NO. 37652043

This is to confirm that Mr. Reuben Nyaberi Sioja, a Diploma student in Information Communication Technology, was engaged on Industrial Attachment from **29th January 2023 to 29th April 2023** in the ICT Department.

During this period of attachment with us, he was exposed to the following areas:

1. Computer Hardware and Maintenance

- ❖ Assembly and disassembly of computer systems.
- ❖ Troubleshooting hardware issues and replacing faulty components.
- ❖ Preventive maintenance and dusting of internal PC components.

2. Software Installation and Configuration: Installation of operating systems (Windows, Linux), Installing and configuring application software and drivers, activation and updating of antivirus programs.

3. Network Setup and Troubleshooting: Configuration of LAN and Wi-Fi networks, crimping Ethernet cables and connecting network devices, IP addressing, printer sharing, and diagnosing network connectivity issues.

4. ICT Support: Services Providing first-level user support and technical assistance, resolving software-related errors and assisting in password reset, logging user complaints and tracking resolution progress.

5. Data Management and Backup: Organizing digital files and documents, performing daily data backups and storage monitoring, use of external storage and cloud backup tools

6. Computer Lab Management: Setting up and maintaining lab computers and projectors, monitoring student usage and reporting issues., ensuring orderly and safe use of ICT equipment.

7. ICT Administrative Duties: Drafting ICT reports and documentation, assisting in procurement of ICT consumables.

Mr. Sioja was hardworking, committed, and willing to learn, which was a great contribution to the ICT team. We wish him all the best in his future endeavors.

Yours Sincerely

For and on behalf of

RE: RECOMMENDATION FOR REUBEN NYABERI SIOJA

It is with great pleasure that we write this letter of recommendation for Reuben Nyaberi Sioja, who successfully underwent professional training and practical exposure at Horizon Contact Centers Ltd.

Reuben participated in our Contact Center Training Program from 3rd April 2022 to 10th July 2022, during which he demonstrated exceptional dedication, commitment, and a proactive attitude towards all tasks assigned. The program encompassed various modules including Call Handling Techniques, Communication Skills, Conflict Resolution, Data Entry Procedures, and use of Contact Center Technologies.

Throughout the training, Reuben consistently displayed professionalism, excellent communication abilities, and a strong work ethic. His ability to grasp complex concepts quickly, work under pressure, and effectively communicate with clients made him stand out among his peers.

We are confident that Reuben will be a valuable asset to any organization that he joins. His integrity, enthusiasm, and customer-centric mindset are traits we truly admired.

We highly recommend Reuben Nyaberi Sioja for any opportunity related to customer service, ICT, data handling, or contact center roles. Please feel free to contact us for any further information.

Sincerely,

Joab Kenyaga

TO WHOM IT MAY CONCERN

RE: REUBEN NYABERI SIOJA (ID 37652043)

It is with great pleasure that I write this letter to recommend Mr. Nyaberi Reuben Sioja, who worked with us at Baraka Restaurant from 2021 to 2024. During his time here, Reuben served diligently in various capacities including Waiter, Supervisor and Bookkeeper.

Reuben began his journey with us as a waiter, where he consistently demonstrated exceptional customer service, professionalism, and attention to detail. His warm demeanor and efficient service quickly made him a favorite among our guests and dependable team member.

Due to his commitment and strong leadership potential, Reuben was promoted to Supervisor. In this role, he effectively coordinated, managed staff scheduling and ensured service excellence across all shifts.

In addition to his frontline roles, Reuben took on the responsibility of Bookkeeper, where he showcased his ability to handle financial records with accuracy and confidentiality. He maintained daily sales reports, managed stock closing, tracked expenses and provided reliable support to management through timely and accurate financial documents.

His versatility, integrity and strong work ethic made him an invaluable asset to the BARAKA RESTAURANT team. Reuben is a quick learner, a team player and a natural leader. I have no doubt that he will bring the same level of excellence to any organization he joins.

I therefore recommend him to any prospect employer.

Yours sincerely,

REUBEN NYABERI SIOJA

RE: RECOMMENDATION FOR MR. REUBEN NYABERI SIOJA

I am pleased to recommend Mr. Reuben Nyaberi Sioja, who served at Lambada Hotel & Resort on a one-year contract as a Supervisor and Front Office Agent.

During his tenure, he demonstrated strong competence in front office operations, including guest handling, reservations management, and coordination of daily service activities. In his supervisory capacity, he effectively oversaw staff, ensured operational efficiency, and upheld service standards.

Mr. Reuben also handled key clerical and administrative duties such as record keeping, report preparation, data entry, and supporting financial documentation processes with accuracy and accountability.

He is a disciplined, reliable, and detail-oriented individual with excellent communication skills and a solid work ethic. His ability to integrate administrative responsibilities with operational management makes him a valuable asset to any organization.

I confidently recommend him for roles in clerical, administrative, and front office management.

Yours faithfully,

DANIEL MAWEU
